# Free Career Workshops at the Orange County One-Stop Center!

For more information, please call 714-241-4900

## **One-Stop Center/ One-Stop Center/WIOA Orientation**

The OC One-Stop Orientation will provide you with information about the Workforce Innovation and Opportunity Act and the services available at the One-Stop Center and through community resources and partners. You will also learn about the programs, educational opportunities, tools and resources available to help you in your job search.

## **Empowering You: Job Seeker Strategies**

This workshop is designed to assist job seekers who are interested in taking charge of their job search by exploring who they are, what they want and how to get there. Searching for a job is a continuous process that allows you to move from one stage to another stage as your life changes. This workshop will teach you about the latest job search processes, tools and strategies.

## **Winning Resumes**

Learn how to create a resume and what an employer wants to see. Become familiar with multiple resume styles and their different purposes for job search. Understand the “do’s” and “don’ts” in developing your resume. Also learn the elements of good cover letter writing.

## **Interview Techniques**

Employment experts teach you how to sell yourself and overcome fear in interviewing. Learn the steps to preparing for an interview and knowing how to answer common and challenging interview questions. This workshop also emphasizes the importance of making a good first impression and the use of body language. Feel free to sign up for a Mock interview with a career consultant. *(Mock Interviews with career consultants available upon request.)*

## **Networking/ Hidden Job Market**

Explore different networking techniques and how to tap into the hidden job market. Learn how to initiate and build contacts, start a networking conversation, and create a self-marketing plan. Develop your own introduction or “30 second commercial.”

## **Transferable Skills**

The concept of transferable skills is a vital job-search technique that all job-seekers should master, especially career changers, college students, and those re-entering the workforce. Transferable skills are skills you have acquired during any activity in your life--virtually any skills are transferable and applicable to what you want to do in your next job. You also will take assessment tests that highlight your strengths and assess the skills you can transfer to another career.

**Resume Open Lab:** *For individuals who have completed the Winning Resume workshop and would like additional support in further developing the format of their resume using the wide variety of resume templates provided in the Winning Resume workshop. Opportunity to work directly on the computers with a facilitator present to answer questions and provide assistance for resumes. (Lab limited to four participants only).*

## **Successful Financial Strategies**

Assess your current financial situation, especially as a job seeker. Whether you would like to better manage your personal finances or are experiencing financial difficulties, learn the steps to develop a successful financial plan. Identify ways to increase income and decrease expenses and rebuild your credit. Understand the basics of taxation and savings so you can build a solid financial foundation.

## **LinkedIn—Beginner/Intermediate**

Learn how to create a LinkedIn account and build your professional profile. You will learn about the basic features of LinkedIn-Beginner to expand your professional networking opportunities. Provide jobs seekers with tips on how to utilize privacy settings on social networking sites to ensure a successful job search.

## **\* Overcoming Barriers**

This workshop prepares previously incarcerated job seekers to re-enter the job market including resume preparation and how to answer interview questions.

## **\* Labor Market Information**

Learn how to strengthen your job search by accessing information about the in-demand and high-growth industries and occupations. We also provide career exploration resources.

## **(Special Topic #1): SCORE – How To Start Your Own Business**

This workshop will provide strategies on how to start your own business, marketing techniques, writing a business plan, and more. *(Guest Speaker: Dennis Wright, Western Regional Specialist, SCORE)*

## **(Special Topic #2): Emotional Intelligence in the Workforce**

Gain skills to effectively resolve common workplace problems by strengthening your emotional intelligence. This workshop will improve your job performance, leadership skills and overall job satisfaction setting the stage for a successful and productive career. *(Guest Speaker: Charissa Flannery, Career Consultant, OC One Stop Center-Garden Grove)*

## **(Special Topic #3): Unfamiliar Worlds: Navigating New Worlds and Adjusting to New Environments (College, Work, Military, Unemployment, New Cultures, and Beyond)**

Entering new environments brings unexpected and potentially uncomfortable challenges. People need to learn how to recognize and respond to those challenges. Participants will learn recognize what those challenges are, and how to identify potential available support systems that will help them navigate their new worlds. *(Guest speaker: Kathleen High has been working with students, adults in transition, and the unemployed. Many of her educational and career resources are found at [www.dreams-goals.com](http://www.dreams-goals.com).)*

**\*EDD (Employment Development Department)**
